With the success of *Silly Verse for Kids* as encouragement Spike's next book was written to appeal to an adult audience although it does contain poems and fairy stories for children too. As with his first book he had a say in the design of the dust jacket, his illustrations are used and it includes endorsements purportedly from his Mum and Dad.

The book includes a range of Milligan's work, humorous poetry, fairy stories and other stories, letters, and comment on conservation issues.

This book was in paperback before his first book, *Silly Verse for Kids* came out in paperback. The first paperback edition was published as a fundraiser for Oxfam in 1963.
