Four episodes of the Goon Show in comic form beginning with *The Last Goon Show of All*.

This is the first Goon related book that was published by Hobbs/Joseph. There doesn't seem to be much input from Spike other than the scripts.

Jack Hobbs seems to have been always looking for book ideas for Spike and this may have been one of those that required little or no input from Spike to produce it.

No paperback edition was produced. Another similar volume was produced in 1983.
