This, the simplest chapbook, printed by Toni Savage's wife Cynthia after his death. On the colophon [p.4]: "Printed by Cynthia A. Savage of Leicester on Sheepstor Handmade Paper with Spike Milligan signature watermark." It is similar in appearance to *Sunday-Midnight* and *My Mother*.

It only contains the poem 'Toni Savage of Leicester' It is listed in *A Paper Snowstorm*, by Rigby Graham and Derek Deadman as a broadsheet.

This chapbook is held by just four libraries listed at WorldCat and I have found no copies for sale or at auction.
